Dear Chairwoman DeLauro and Ranking Member Granger ,

I am requesting funding for Unidos Por Nevada in fiscal year 2023. The entity to receive funding for this project is the United Way of Southern Nevada and is located at 5830 W Flamingo Road, Las Vegas, NV 89103. The funding will be used to create a network for United Way of Southern Nevada's nonprofit sector partners and contractors to establish Language Access Plans at multiple organizations across the region. This program will address the existing and overwhelming need to support our non-English proficient community in Nevada. Historically marginalized and under-resourced communities have faced barriers when it came to receiving financial support, resources, and information offered by many nonprofit organizations. The project will have three main components: Training and guided workshops for UWSN and nonprofit partners to create their own Language Access Plan, joint use of a shared Language Access Line, and continued support for nonprofit partners to build a network of culturally specific organizations who can continue to educate, reinforce equitable practices, and support the work of the nonprofit sector in Nevada. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Dina Titus". The signature is fluid and cursive, with the first letters of "Dina" and "Titus" being capitalized and prominent.
